

## 4ème Group 2 Summer Reading List

Dear future 4ème students,

Congratulations on finishing 5ème OIB! You have worked hard this year and deserve a nice, relaxing summer vacation. While you are enjoying yourself this summer, we would like you to take some time to use your English to talk with your friends, watch movies, and read. This will help you not to forget what you learned in 5ème.

To prepare you for 4ème, we would like to you read the book *Matilda* by Roald Dahl in English. This is an exciting, fun book and we think you will like it. It is a chapter book, so please don't wait until the end of summer to start reading. As you read, you can take notes about vocabulary, the characters, and what happens. You should be ready for a test during the first week of school.

Additionally, we would like you to buy two books that we will read during the school year in 4ème. Please order them now because it can take a long time to receive them. You can buy *Oliver Twist* at <http://www.macmillanenglish.com/readers>. The book *Bread and Roses, Too* can be bought at amazon.fr, amazon.com, or amazon.co.uk. It is also possible to order this book at LeFallier in Rennes.

We will read these books together, so it is very important that everyone has the same version of the books. Please look at the ISBN number below before you buy your book.
