

5ème G2 SUMMER READING ASSIGNMENT

Welcome to the 5ème G2 OIB class of St. Vincent. This year will be a busy one, so we need to get a head start in the summer. You will see the instructions for the summer reading assignment below. Please make sure you read the directions carefully. See you in September.

All students entering 5ème Group 2 will read *The Phantom Airman* (by Allan Frewin Jones) in graded reader form (elementary level) before the start of school in September.

Each student must create a storyboard (a 'cartoon' version) of the story. Draw ten pictures of the ten most important events in the story. Don't forget to write two to three sentences under each picture explaining what is happening and to colour your pictures.

The assignment is due on the first day of school and will be worth 20 marks.
